

The 2026 International Conference on Control, Robotics Engineering and Technology (CRET 2026)

September 24-26, 2026 / Kristiansand, Norway

<https://www.cret.net/>

Introduction

The 2026 International Conference on Control, Robotics Engineering and Technology (CRET 2026) will be held from September 24-26, 2026, in the vibrant coastal city of Kristiansand, Norway.

CRET 2026 serves as an international forum dedicated to presenting groundbreaking research and fostering collaboration across the converging fields of control systems, robotics engineering, and enabling technologies.

The program will include plenary talks by internationally renowned experts, interactive workshops, and oral presentations covering a broad spectrum of topics. We look forward to welcoming you to Kristiansand for CRET 2026.

Proceedings

All accepted papers will be published in CRET 2026 Conference Proceedings, which will be archived in IEEE Xplore, and indexed by EI Compendex, Scopus, and other indexing services.

Call For Papers

Control Systems and Automation
Control Theory and Algorithms
Industrial Automation and Smart Manufacturing
Embedded Systems and Real-Time Control
Intelligent Control System Applications
Robotics Technology and Intelligent Systems
Robot Perception and Navigation
Robot Motion Control and Dynamics
Bionic and Humanoid Robots
Human-Robot Interaction and Collaboration
Deep Learning and Reinforcement Learning
Intelligent Control and Decision Systems
Self-Learning and Adaptive Systems
